

# CYTO 2012

International Society for Advancement of Cytometry

**Dr. Kewal Asosingh** is Assistant Professor of Molecular Medicine at the Cleveland Clinic Lerner College of Medicine of the Case Western Reserve University and Staff Scientist at the Cleveland Clinic.

He received his doctorate degree in medical sciences and post-doctoral training at Brussels Free University in Brussels, Belgium.

Dr. Asosingh's work focuses on proangiogenic hematopoietic progenitor cells and endothelial colony forming cells in lung vascular disease. He is an expert in detection, enumeration and functional characterization of these vascular progenitors, in both humans and in murine models.
