

XXVIII Congress of the International Society for Advancement of Cytometry

Chris Bakal The Institute of Cancer Research

Chris Bakal is a Team Leader in the Division of Cancer Biology at the Institute of Cancer Research in London UK. Chris' graduate work in Medical Biophysics was performed at the University of Toronto. His postdoctoral fellowship was done with Norbert Perrimon at Harvard Medical School.

While at Harvard, Dr. Bakal was a fellow of the Leukemia and Lymphoma Society, and was twice honored by the Society's volunteers for his research efforts. In 2007, he was awarded the Dorsett L. Spurgeon Award as the top postdoctoral fellow or junior faculty member at Harvard Medical School. In 2009, he received an Outstanding Research Award from Nature Biotechnology and a Wellcome Trust Research Career Development Fellowship. In 2011 he was named one of the top 2 young investigators by the European Association for Cancer Research, and was recently selected as an Emerging Investigator by Molecular BioSystems journal.
